COUNTRY Germany (Russian Zone)

DATE DISTR. 5 December 1950

SUBJECT Soviet Radio Station North of Spechthausen

NO. OF PAGES 1

NO. OF ENCLS. 1
(LISTED BELOW)

THIS IS UNEVALUATED INFORMATION

25X1

1. A Soviet radio station was located in a clearing in forest section No 174, about 50 meters east of the road leading from the Wasserfall Inn to Spechthausen (N 53/V 08). The station consisted of a steel tower, about 15 meters high, a blocked-up radio truck with a trailer-mounted charging unit, and a wooden shelter. Truck [] occupied by soldiers who wore black-bordered black epaulets, approached the radio station []. Numerous imprints of track-laying vehicles with three-meter treads were observed near the station.

25X1

2. [] a radio station was located in a clearing, measuring about 100 x 150 meters, 80 to 100 meters east of a road, halfway between the Wasserfall Inn and Spechthausen. The deforested area began about 50 meters east of the road. The radio station consisted of a mast, about 10 meters high, a radio truck, and some wooden shelters. *

* [] Comment. The report refers to a standard army radio station which belongs to a signal component of the 6th Gds Mec Div. For location sketch see Annex.

1 Annex: Sketch.
